From Elliot Prince

Thursday 6th May 2010 is Daventry District Council Election Day. I am asking for your vote to serve you as your District Councillor. I want to represent you, your opinions and your solutions to the challenges that Daventry faces. I want to be a politician that listens not dictates.

Elliot Prince

A little about me....

I was born in Daventry, and other than 3 years spent attending university in Birmingham, I have lived here all my life

I am 24 years old and have been interested in local and national politics for over 10 years. I joined the Liberal Democrat Party in October of last year

I went to Daventry William Parker school and grew up in Abbey Ward. I currently work in Banbury and live in Daventry on Stefen Hill.

If elected I would:-

Fight to protect our local services against the current administration's policy of massive cuts, whilst at the same time increasing our Council tax bills.

Work to ensure that our money is spent on services and not on expensive, unnecessary and unwanted projects.

Press for the investment of Council revenue to be curbed and any unspent revenue used to reduce the tax burden

Help the local economy by pushing for high business rates on empty business units to be reduced, therefore encouraging local economic growth and job creation.

Support affordable housing initiatives for first time buyers and push for an increase in the number of council owned and let properties in order to reduce waiting lists for social housing.

Support the victims of anti-social behaviour by promoting local projects devised by local people aimed at tackling the problem

6 May Vote Elliot Prince

This is Chris McGlynn, our Liberal Democrat Parliamentary Candidate for the Daventry Parliamentary Constituency. Chris has lived in Northamptonshire all his life and been on the Kettering Liberal Democrat Executive for 16 years, so is well aware of the difficulties within this County. I urge you to vote for Chris on May 6th.

We as Liberal Democrats want to hear what you want, if I am elected for this ward, then I want to represent YOU.
