From Neil Farmer

Thursday 6th May 2010 is Daventry District Council Election Day. I am asking for your vote to serve you as your District Councillor.

I want to represent you, your opinions and your solutions to the challenges that the Long Buckby Ward faces.

I want to be a politician that listens not dictates.

Neil Farmer

A little about me...

I have lived in Long Buckby since 1989, moving from Northampton where I was brought up. Married to Lesley, who has worked in both village schools in the past, our 2 children have grown up going to the local schools.

My background is over 20 years working for Northampton Borough and Northamptonshire County Council before working for a company providing software for Local Authorities— so I know how local authorities work (or not!) — from both sides of the fence!

I am now self employed still doing a bit of software, but also delivering organic vegetables to the Long Buckby area.

I am also now Chair of the Daventry Liberal Democrats, and agent for our Parliamentary Candidate.

If elected I would:-

Fight to protect our local services against the current administration's policy of massive cuts, whilst at the same time increasing our Council tax bills.

Work to ensure that our money is spent on services that are needed and not on expensive, unnecessary and unwanted projects.

Press for the investment of Council revenue to be curbed and any unspent revenue used to reduce the tax burden.

Make the Council more accountable to you the tax payers and make the Council decision and planning processes more open and transparent.

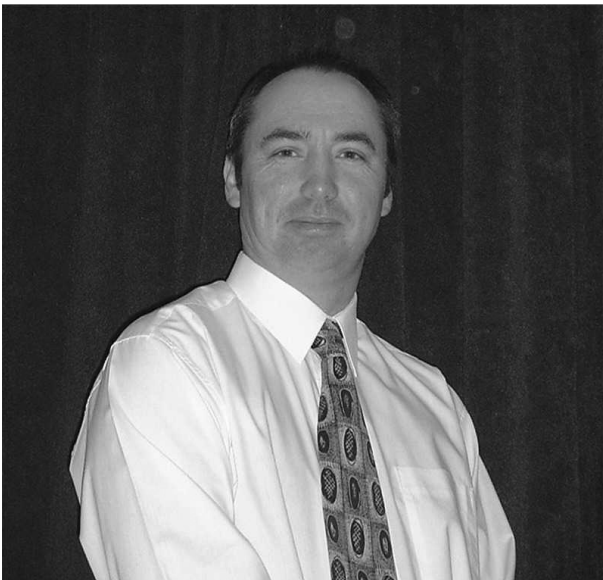

Work to enhance the transport infrastructure within the District.

Fight to preserve ALL local amenities, shops, Post Offices, Banks, Pubs - keep our rural countryside alive.

Support more affordable housing for our young people.

This is Chris McGlynn, our Liberal Democrat Parliamentary Candidate for the Daventry Parliamentary Constituency. Chris has lived in Northamptonshire all his life and been on the Kettering Liberal Democrat Executive for 16 years, so is well aware of the difficulties within this County. I urge you to vote for Chris on May 6th.

We as Liberal Democrats want to hear what you want, if I am elected for this ward, then I want to represent YOU.

The local Liberal Democrat focus team wants to find out about issues that are important to you. If you don't happen to see us when we are out and about in your area, then please take a few minutes to fill in the sheet below and send to:
