## From Malcolm Adcock

Thursday 6th May 2010 is Daventry District Council Election Day. I am asking for your vote to serve you as your District Councillor. I want to represent you, your opinions and your solutions to the challenges that Spratton Ward faces. I want to be a politician that listens not dictates.

Malcolm Adcock

Most people are bored to tears by politics and they don't want more of the same. The local politicians I personally respect most are those who put local people first and party second.

Liberal Democrats stand for financial responsibility. The controlling Conservative group on Daventry District Council lent £5m of local people's money to the County Council, at an interest rate of just 1% despite the fact that the County Council are £629m in debt! This is a very poor credit risk but the Lib Dems were the only group on DDC to speak and vote against it.

We say:

**Plan** the local area for the benefit of residents not for business interests alone.

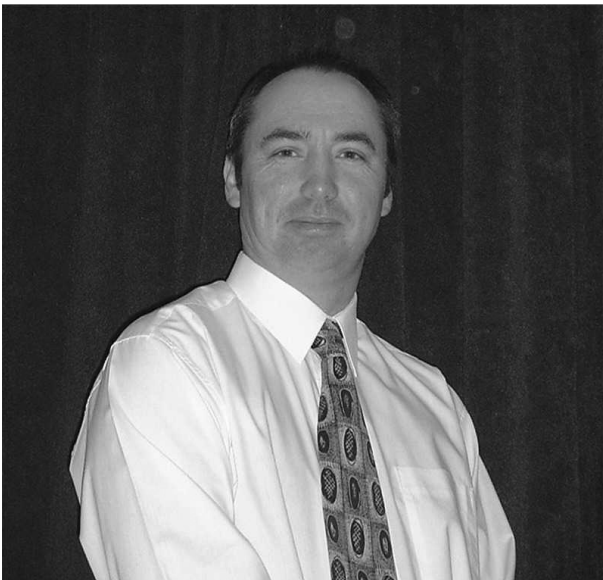

**Restore** sixth forms to all local comprehensive schools.

**Tackle** ever-worsening problems caused by the weight and density of traffic.

**Local people** must make local decisions. Do you really want decisions about your village taken by people from Brackley or Milton Keynes?

**6 May Vote Malcolm Adcock**

This is Chris McGlynn, our Liberal Democrat Parliamentary Candidate for the Daventry Parliamentary Constituency. Chris has lived in Northamptonshire all his life and been on the Kettering Liberal Democrat Executive for 16 years, so is well aware of the difficulties within this County. I urge you to vote for Chris on May 6th.

We as Liberal Democrats want to hear what you want, if I am elected for this ward, then I want to represent YOU.

The local Liberal Democrat focus team wants to find out about issues that are important to you. If you don't happen to see us when we are out and about in your area, then please take a few minutes to fill in the sheet below and send to:
